1.	PhD students with CSIR / UGC fellowships and supported by other similar agencies can schedule their Annual Progress Seminar by considering requirements of funding agency. The schedule must be maintained in a consistent manner.
2.	For evaluations of Masters' / Dual Degree Dissertations, the evaluation schedule in a given academic unit may be spread over a large enough segment with the permissible time-window to allow possibilities of adjustment of evaluation date(s) and prevent overloading the faculty members with too many evaluations on a single day.
3.	For project / dissertation / credit seminar related presentations, report / dissertation should be submitted at least seven days prior to the date of presentation / assessment.
