

22.08.22

Approval for date extension of MEP & Civil Interior Works tender for CRL in DESE/CESE bldg.

The above tender was uploaded on the Dean(IPS) website of IITB and CPPP portal on 28th Jun' 22 for inviting bids from prospective bidders. Pre-bid meeting for the same was held on 5th Jul' 22. Only one bidder had turned up for the meeting and submitted a no. of queries.

For issuing clarification to the queries and in view of the poor response the tender opening date was extended to 2nd Aug' 22. However based on the the clarifications provided, a corrigendum to the tender needs was issued. Accordingly, to provide sufficient time for the bidders to study and respond to the changes in the tender, the tender opening date was extended upto 18th Aug' 22. However only one bid was received till the last date.

A request has been received from one vendor to extend the date as they are interested in quoting for the job and had missed the last date due to shifting and renovation of their office. Considering this request it is proposed to extend the date by another 10 days upto 2nd Sep' 22.

ADean II(IPS) / Dean(IPS) may kindly approve the above tender date extension upto 2nd Sep' 22.
