

01.08.22

Approval for date extension of MEP & Civil Interior Works tender for CRL in DESE/CESE bldg.

The above tender was uploaded on the Dean(IPS) website of IITB and CPPP portal on 28th Jun' 22 for inviting bids from prospective bidders. Pre-bid meeting for the same was held on 5th Jul' 22. However only one bidder turned up for the meeting and submitted a no. of queries. Apart from this bidder, no other vendor has expressed any interest in the tender till date.

For issuing clarification to the queries and in view of the poor response the tender opening date was extended to 2nd Aug' 22. However based on the the clarifications provided, a corrigendum to the tender needs to be issued. This will be issued in coming 2 – 3 days time. In order to provide sufficient time for the bidders to study and respond to the changes in the tender, it will be necessary to suitably extend the tender opening date. Hence it is hereby proposed to extend the tender opening date upto 18th Aug' 22.

ADean II(IPS) / Dean(IPS) may kindly approve the above tender date extension upto 18th Aug' 22.
