Item	Brief Particulars
Name of Assignment	Empanelment of Architects for Civil/Interior and Electrical works carried out by Design Cell of IITB for Indian Institute of Technology Bombay, Powai, Mumbai 400 076 <b><u>E.O.I Notice No 2 IIT(B)/Design Cell Architect Empanelment/2022 dated 21 September 2022</u></b>

2. Location: The works are proposed within the existing campus of Indian Institute of Technology Bombay at Powai, Mumbai- 400076.

3. General features and major components of the work are as under:

**Design cell in IITB** was setup in 1988 with the intension of revamping the Interior and exterior built spaces in the Institutes to suite the changing needs of the Institute. It has been carrying out Interiors, renovations, retrofitting, addition and alterations to department & Administrative buildings including space design. The scope also includes electrical design & structural input as per project requirement.

Institute has completed its 75 years and growing dynamically. Built spaces for Administration, laboratories, residential, sport facilities, auditoriums and seminar rooms have to constantly be reconfigured and upgraded to suite the current requirements.

The need for expertise in landscape is also foreseen as campus has lot of spaces under green cover/gardens/ecological trails.

Considering the growing magnitude of work it is felt that the Design cell requires additional help from outside Architects who will take up such works in consultation with Design cell  
**The scope of work** for the **Architect** include designing interior layout plans for the works carried out by Design cell, providing the specifications of the materials, assisting the Design cell in finalizing the contractor and supervision of the interior works, Some time the panel architects services will also be availed for **planning, designing and execution of extension of Buildings owned by IITB**

---
