The **Fit India Movement Freedom Run 2.0** took place in the premises of the Indian Institute of Technology Bombay on the August 14, 2021 as part of celebration **of Azadi ka Amrit Mahotsav (Celebration of 75 years of Independence)**. It was a short run that spanned around the campus with the route spanning 3.2 kms for men and 2 kms for women. The event saw a total of 85 people participate in the race.

The event was conducted in 3 legs with the first starting at 6:30 AM and the subsequent ones starting with a gap of an hour each. A registration-cum-safety desk was set up to ensure the smooth handling of the event.

The main objective of the run was to ensure safe physical activity and it was met through the extensive and strict enforcement of Covid protocols throughout the run.

All participants were maintaining social distance at all times and were required to wear masks at all places with crowding. The staff and student representatives managing the event were also completely masked up and ensured the same.

The participants ran enthusiastically towards the finish. There was an entire spectrum of ages with a 6-year-old child finishing the 2km and an old couple completing the race!

The organising student and staff community handed over the prizes to the winners and thanked all the participants for their continued enthusiasm and association with sport.
